

ABOUT THE INSTRUCTORS

Sergeant Rudy Flores is a 27 year veteran who has served as a deputy sheriff, police officer, Trooper, Sergeant and Texas Ranger with the Department of Public Safety. Rudy holds an A.A.S. in Criminal Justice and certifications as a Master Police Officer, Instructor and Special Investigator issued by the Texas Commission on Law Enforcement. He has been accepted as an expert witness in federal and state courts on bloodstain pattern analysis and death investigation. Sergeant Flores has lectured throughout Texas.

Lieutenant Nick Webb is the Palestine Police Department Patrol Commander. Nick holds an A.S. degree and TCLEOSE certifications as a Master Peace Officer, Instructor and Firearms Instructor. Nick is a 20 year veteran; previously serving as an officer, Narcotics Agent, Sergeant and Detective. Nick is a crime scene specialist and has been accepted in state court as an expert witness in latent fingerprint examination, collision reconstruction, shooting reconstruction and bloodstain pattern analysis. Nick has taught crime scene investigation and photography for local police academies and agencies.

DIGITAL POLICE PHOTOGRAPHY: FUNDAMENTALS TO FORENSICS

Advanced Investigative Training

**Discount for Early
Registration**

Limited Enrollment

AN INTERACTIVE TRAINING WORKSHOP

This is a hands-on course designed to teach the basic fundamentals, as well as forensic applications, of digital photography at various types of scenes. The participant will be taught how to use their department camera equipment, focusing on manual modes, automatic modes, digital SOP's, flash operation and many other practical applications. A variety of photographic assignments will be covered to challenge each student and help prepare them for any situation they may encounter as a crime scene specialist, crime scene investigator or forensic scientist involved in investigative photography.

Note: Point and shoot cameras are not acceptable for this class.

TCLEOSE CREDIT

This course is approved for 24 hours credit by the Texas Commission on Law Enforcement through the hosting agency or academy.

REQUIRED EQUIPMENT

A digital SLR camera, tripod, shutter release cable, external flash with sync cord and flashlight are required for the practical exercises. Students should also have the camera user manual.
